Welcome New 2014 Hall of Fame Members

2014 New Inductees: Joanna Burton, Larry Williamson accepting for his Aunt, Kathryn Cotton Williamson, Reid Nielson, Ed Fletcher, and Debbie Doom.

We had over 250 attendees at last years' banquet. Each nominee was introduced by a friend or family member. Sue Enquist, former UCLA Softball Coach, came all the way from California to introduce her former pitching star Debbie Doom. She spoke to the impact of Title Nine and the development of college softball programs across the country. Sue gave the Arizona Softball Foundation many accolades for the quality of the banquet and the work of our volunteers.

Several attendees came to celebrate the reunion teams. Four teams were honored at the August 9, 2014 Hall of Fame Banquet. The four teams were: The Page and Southern Truck Raiders from 1971-1981, and the 1972 and '73 Arizona State University AIAW National Championship Teams.

The Inductees did a great job of displaying their Memorabilia that represented their accomplishments in softball. This years' silent auction had thirty items up for auction. Congratulations to Rita Stilwell for organizing such a great project. This years' silent auction raised over \$2,400.00 for scholarships and banquet costs. Thanks to all attendees for their support of the Arizona Softball Foundation.

The 2015 Banquet is scheduled for Saturday, August 8, at the Embassy Suites Phoenix North, check the next newsletter for details.
